ABOUT EUROBODALLA

Perhaps Eurobodalla's finest attribute is how the peaceful sense of place gently insinuates itself into your feelings rather than boldly walking in. Eurobodalla is neither old world nor old fashioned, it's not off the beaten track nor is it backward. Like the mountains, rivers, lakes and ocean that come together here, socialising with each other in a gently beautiful fashion, Eurobodalla has a timeless feeling about it, both in how it greets the eyes and in the way people live here.

For more information on Eurobodalla, the towns and villages and the many things to do in the region, visit www.eurobodalla.com.au, drop in at the Visitors Centre, Princes Highway Batemans Bay or phone 1800 802 528.
