Presidents Report

Thanks to everybody that brought orchids and etc in for our mini auction last month, we made \$354.65 that's great.

We do have some Bunnings BBQ's coming up so we will require helpers on the day.

Also we still require the bottom 100mm on 1.25lt plastic bottles for posies please bring in to any meetings. That also goes for the plastic bags from Woolworths or Coles for our Show days to place orchids in that people has bought.

We are still having a good roll up to the coffee chat days at the Botanic Gardens on the 3rd Thursday of the month at 2 pm.

Our Orchid Shows are coming fast so keep a good eye on your spikes that are coming on and watch out for grubs and other insects.

If you are not too sure about if you should bring your Orchid in to the meetings to be benched, just bring your plant in and ask our members what they think, that also goes for all our Orchid Shows we do have people in our club that can help and advise you.

The more Orchids we can have on our benching nights at our meetings and for our Orchid Show's the better the public can enjoy the sight of the colours, shapes and sizes.

Grumpy's Shed has a lot of Orchid sundries at a good price to members, potting mix, pots and a lot more cheaper than town prices just give Dot a ring to make sure she is home .

When you ring Dot with a small order Dot just might be able to bring in you items to the next general meeting.

Stay Safe & Well.

Robert Fish

The monthly coffee club at the Botanic Gardens is also a good social time for members and friends to meet in a relaxed environment.
